**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-15, 19-20, and 22-26 are allowed.
2. The following is an examiner's statement of reasons for allowance:

In regard to claim 1, the prior art does not disclose the combination of limitations claimed, specifically the limitations of:

in response to input from the motion detector indicating movement of the camera when the first image is displayed on the display device, controls what portion of the document image are displayed in a second panable window, containing only a portion of the document image displayed on the display device, such that the second panable window wraps the first image on the display device as a continuous loop that repeats at boundaries of the document image as claimed in claim 1.

In regard to claim 19, the prior art does not disclose the combination of limitations claimed, specifically the limitations of:

responsive to sensing the second movement of the camera when the second panable window is displayed, controlling what portions of the document image are displayed in the second panable window on the display device, such that the second panable window wraps the first image on the display device as a continuous loop that repeats at boundaries of the document image as claimed in claim 19.

The dependent claims of claims 1 and 19 are allowable due to their dependency on claim 1 and 19.

Art Unit: 2615

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
